

# SILKS!

The new weaves and figures are in and we are open for comparison with any stock in the state. The rich, the rare and the beautiful are here, ours today and yours tomorrow, colored Moires, so hard to get, are here at last; Black Moire in the choicest designs, 32-in. figured Japanese Silks, not the common China, but the real Jap, superior in every way. The inexperienced can tell the difference at a glance, Cheney's Silks, Creme-a-la-creme, Black Waterproof Silks, 59c and up; a glass of water will be poured on the piece if you like, this is the way we buy it. Dollar Black Brocades will be lower than you have seen them, newness and freshness is our great stronghold. Plain and striped Jap Silks, full line. Natural Pongee Silks, 39c quality, will be 25c.
